2015 10 05 Letter to ASRG Co-Coordiators re Water Treatment Plant.pdf

Cynthia:

On the outreach document I only included two of the ARSG's three co-chairs. Here is the complete list:

Mr. Peter Butler

Mr. Steve Fearn

Mr. Bill Simon

Co-Coordiators

Animas River Stakeholders Group

I know I included Butler but only included one of the other two so you will want to add whichever one I missed. ☺

Greetings.

Please see the attached Letter. In its continuing role as a catalyst for the collaborative effort to improve water quality in the Animas River, Sunnyside is suggesting that there may be opportunities to significantly accelerate the ARSG Timeline. Do not hesitate to contact me with any questions that you may have.

Thank you.
